7:00pm Award Ceremony

Where: Louisville High School Cafeteria

We will honor and recognize all band, color guard members, and band aides at our banquet on May 10<sup>th</sup>. Each student may invite up to two additional guests to attend. Everyone should enter the school through door #3 and proceed into the cafeteria to find a seat. The bottom tier (closest to the stage) is reserved for only band, color guard members, and band aides.

Refreshments will be available for all attendees (both students and guests) beginning at 6:30pm. The award ceremony will begin at 7:00pm. This is a nice evening to celebrate our students and our high school band program. Your dress and behavior should reflect this. There is no cost to attend thanks to the generosity of the Louisville Band Boosters.
