LOUISVILLE HIGH SCHOOL BAND HANDBOOK

FORWARD

The purpose of this handbook is to provide valuable information about the band program. To consistently achieve and maintain the high standard of excellence desired by this organization, members should familiarize themselves with the regulations, procedures and traditions of the band.

It is hoped that some of the questions always prevalent with the band will be answered in this handbook. If a problem or question not covered in this handbook should arise, the director should be consulted for an explanation.

BAND is a full year subject which is divided into concert season and marching season. ALL MEMBERS must be in both groups unless they are a member of the majorette line, flag corps, attend RG Drage Vocational School, or a member of a fall athletic team excluding cross country.

MARCHING SEASON

The Louisville Marching Band meets daily the last period and after school until 5:00 P.M. Contemporary marching band activities are emphasized. The activities of the marching band are designed to offer the student an opportunity to grow musically and personally through participation at football games, parades, competitions, festivals, etc. All band members must participate in marching band, unless there is a physical problem, you participate in a fall sport (excluding cheerleading or cross country - members of the cross country team can elect to participate in both CC and Marching Band or just CC).

In order to perform with the marching band, the marching band member must have received passing grades during the preceding grading period in subjects that earn a minimum of 5.0 credits per year toward graduation.

Marching Percussion Requirements

During marching season, percussion students will be utilized playing instruments in five different areas. The instruments that will be played are as follows: Sideline (Pit) percussion, cymbals, bass drum, tenors, and snare drum. Minimum level requirements for playing the marching instruments are as follows:

Sideline (Pit) Percussion	Level III (Mallets & Battery)
Cymbals	Level III (Battery)
Bass Drum	Level III (Battery)
Tenors	Level IV (Battery)
Snare Drum	Level V (Battery)

Instrumentation will be based on the number of students available. If the number of percussion students is inadequate to fill a balanced instrumentation, wind players may be recruited to play at the discretion of the directors.

Level requirements must be passed prior to the end of the school year. If auditions are necessary, they will be conducted prior to the end of the school year. Times and materials for the auditions will be established at the discretion of the director.

MAJORETTE LINE

- a. Auditions are open to all Louisville students who will be in 9th, 10th, 11th, or 12th grade and all previous majorettes in good standing. These auditions will be held in the spring preceding the fall marching season. A tryout packet with guidelines will be distributed to all interested students prior to the audition.**
- b. A feature twirler will or will not be chosen at the discretion of the directors with the selection being based upon results of the auditions regardless of class.**
- c. A head majorette will be chosen from either the junior or senior class at the discretion of the directors. The selection will be based upon results of the auditions and leadership qualities.**

FLAG CORPS

- a. **Auditions are open to all Louisville students who will be in 9th-12th grades and all previous flag corps members in good standing. 2. After the informed date, band may be dropped for the following reasons without penalty at the discretion of the principals and director:
 - a. Not capable of handling the level of music required
 - b. Severe illness
 - c. Injury that limits participation
 - d. Extreme circumstances

DISMISSAL FROM BAND

1. A band student may be dismissed for the following reasons:

 - c. Repeated failure to have necessary equipment
 - d. Persistent uncooperative attitude
 - e. Failure to pass Level III Proficiency

3. If a student is dismissed from the band as a result of the above action an F will be recorded for the class and no credit will be given. The dismissed student will not be permitted to enroll in the band program for the student's remaining years in high school, unless permission is received from the director.

GRADING AND PROFICIENCY LEVELS

The grading system is divided into three major categories for successful achievement of the class goals.

Every student's proficiency/playing level will be determined each school year, according to the Instrumental Music Course of Study. A student may request a director to re-evaluate his/her playing level anytime during the school year. Each level evaluation must be completed within one week. After one week, the level evaluation begins

again.

All students, except seniors, will do their level check the 4th nine weeks. The 4th nine weeks level check is optional for all seniors. Any student that passes Level V or higher after the 2nd semester begins will not be required to retest.

During the 1st nine weeks, the previous year's proficiency level, playing test scores, written test scores, and a marching evaluation will be averaged accordingly to determine the student's final grade. During the 2nd and 3rd nine weeks, the previous proficiency level, playing test scores, and written test scores will be averaged accordingly to determine the student's final grade. The current proficiency level, playing test scores, and written test scores will be averaged accordingly to determine the student's final nine weeks grade.

The following points are earned by your playing proficiency.

Level	Grade 9	Grade 9	Grade 10	Grade 10	Grade 10-12
	1st-3rd 9wks	4th 9 wks	1st-3rd 9wks	4th 9 wks.	4th 9wks
Points	Points	Points	Points	Points	Points
VI	100	100	100	100	100
V	100	100	100	96	96
IV	100	87	87	83	83
III	87	78	78	74	74

Extra credit will be given for the following: additional levels passed and special projects. See director for details.

Proficiency Level	50%
Playing and written tests, performances (marching evaluation during the 1st nine weeks is also used)	50 %

FLAG CORPS and MAJORETTE GRADES

The 9 weeks grade will be determined through the evaluation of the following criteria: auxiliary proficiency, routine accuracy and memorization, marching style and drill, attendance at rehearsals, and attendance at performances.

CHAIR PLACEMENT AND CHALLENGES

Levels and challenges will determine chair placement. The seating will remain the same from the end of marching band with the addition of the marching auxiliary. During the concert season, a student that passes a higher level will be reseated at the end of their new level. Seating is also determined by music checkoff and the student's ability to play the music at rehearsals. The director may reseat the student according to musical progress and preparation at any time.

CHALLENGES

Students who feel they are deserving of advancement within the section may challenge the person sitting ahead of them if they play on the same level. The challenge procedure is:

- 1. Notify the director of the challenge.**
- 2. The music for the challenge will be chosen by the band director. The music may be chosen from those selections being prepared for the next performance or from exercise/etude material.**
- 3. The challenge will be held approximately one week after the challenge criteria has been announced.**
- 4. All challenges must take place two weeks prior to a performance, and with all rechallenges taking place one week later.**
- 5. A forfeiture of chair will result if the person being challenged refuses to play or if one of the participants is absent or tardy for the challenge.**
- 6. In case of a tie, the players will remain in their original order.**
- 7. For marching band, there will only be challenges the last week of school prior to the new marching season.**

ATTENDANCE POLICIES

- 1. Attendance is mandatory at all scheduled rehearsals, sectionals, and performances including preseason drills.**
- 2. You will be excused for illness and emergency circumstances only.**
- 3. Each student will be given two (2) unexcused rehearsal absences (this is for dentist, doctor, haircut, etc.) during the 9 weeks of marching band. Any further unexcused absences will lower the final nine weeks grade as follows:**

3 unexcused absences	3 percentage points
4 unexcused absences	6 percentage points
5 unexcused absences	9 percentage points

etc.
- 4. You must report expected absences in advance of the rehearsal being missed with a note from your parents.**
- 5. When a band member has missed more than half of the weeks rehearsal schedule, he/she will not perform unless the director feels they are capable.**
- 6. Any member not performing a show because of absence or disciplinary action, must dress in uniform, travel, and play in the stands with the band.**
- 7. Each unexcused absence from a performance will lower the final nine weeks grade by two letter grades.**

REHEARSAL AND PERFORMANCE PROCEDURES

PROCEDURE FOR REPORTING A REHEARSAL ABSENCE

- 1. Only written excuses will be accepted by the director. The excuse must be dated, written and signed by the parent or guardian, stating student's name and specific reason of absence.**
- 2. All excuses must be submitted to the director prior to the missed rehearsal or the following rehearsal if the absence was due to a sudden emergency.**
- 3. Absences will be excused or unexcused at the discretion of the director.**

DRESS FOR MARCHING REHEARSALS

Comfortable clothing and tied athletic shoes with socks must be worn in order that uniform posture and step size can be rehearsed.

PUBLIC PERFORMANCES

PERFORMANCE SCHEDULE

- 1. Every student will receive a schedule listing performances the band will be attending throughout the year. Information regarding these events will be posted online or information will be sent home. Also check the LHS Band website <www.theprideoflouisville.com>. 5. After the halftime performance, students will return to their seats in an orderly fashion.
6. At the end of the game, the band may perform several musical selections for the entertainment of the crowd. We will leave all games with dignity. If we are not able to march in block band we will walk together as a group.
