Dear Parents and Current Members of the Louisville High School Band,

As many of you already know, our 2024 Florida Trip has been approved and is currently being organized. This is an incredible undertaking and the trip requires a lot of time and effort for everyone involved.

We will depart Louisville High School on Tuesday, February 13, 2024 and will return on Sunday, February 18, 2024.

The cost of the trip is **\$1198.00 per student**. Students will be housed in rooms of four. If you are interested in serving as a chaperone for the trip, please email Mr. Bleininger at [kris.bleininger@lepapps.org](mailto:kris.bleininger@lepapps.org) and/or return the included chaperone form by May 12, 2023. We are looking for between 15-20 chaperones.

All Disney information will be posted to our website as it becomes available. You can find the Disney 2024 information on the main page of [www.theprideoflouisville.com](http://www.theprideoflouisville.com). Here you will find payment information and all of the details about the trip. When paying, you will be dealing directly with our tour company. Please do not send money to school or to the band office. Your first payment and trip agreement form is due on **May 12, 2023**. Please sign up promptly. We will not be able to guarantee your spot on the trip if your initial deposit and agreement form are late.

The safety and behavior of all is of utmost importance to me. We will have a tour director present with us 24 hours per day. We will have access to security and first aid everywhere we go. Even still, there will be times during the trip when the students are not under direct supervision of adults or our chaperones and will need to conduct themselves in an appropriate manner. *We provide the opportunities to travel and showcase our students because we are proud of them and the product they work so hard to produce.* Although this is the case, the opportunity to travel as a member of the Louisville High School Band is a **privilege, not a right**. Any student who chooses not to conduct themselves in an appropriate manner **will be sent home at the expense of his/her parent or guardian**. While I do not foresee any problems with our group, the behavior of the students has been and will continue to be observed to determine whether or not they can represent our school and community with the level of maturity that is expected of them. **The director reserves the right to deny participation to any student for behavior-related issues that have occurred or will occur as a member of our group.** Should you have any questions, please feel free to email or call.

Thank you for taking the time to read the enclosed materials. We are going to have an amazing trip that will result in a lifetime of memories.

Mr. Bleininger
