Our 8th grade band members will be joining us for the game! They will be sitting with you and playing along in the stands. Please be sure to have music so that you can share with them as needed.

We will also be having a band party after the game in the HS cafeteria. The cost is \$3.00 to attend. There will be pizza, chips and pop/water along with music to enjoy. It is not mandatory that you stay for the party, but I hope to have everyone there to welcome the 8th graders to our band family as they have been invited to attend as well. The party will end at 11:00pm. Please have a ride ready at that time.
