

Louisville Music in Motion 2022

Louisville High School Band

Dear Band Director:

On behalf of the Louisville Band and the Louisville Band Boosters, I would like to personally invite you and your fine band to participate in the Louisville Constitution Day "Music in Motion" Marching Band Adjudicated Event. This annual celebration will be held on Saturday, September 17, 2022. Our annual "Music In Motion" field competition will begin at 5:00 P.M. at the Louisville High School Stadium. The facilities at Louisville are excellent. We provide a lighted practice area and plenty of room for the bands to be seated. We are also pleased to be able to offer the use of stadium power to visiting bands again this year.

This contest is an Ohio Music Education Association sanctioned local event. Bands who earn a Superior rating will qualify for O.M.E.A. State Marching Band Finals. Awards will be presented at the conclusion of the event. Our field competition is divided into four classifications in accordance with O.M.E.A. Rules.

You may register your band for "Music In Motion" through the O.M.E.A. Online Adjudicated Events Application found on the O.M.E.A. portal. You must be a current O.M.E.A./N.A.f.M.E. member for your band to participate. Please register your band prior to **August 20, 2022**.

Further information and instructions will be sent to you in September. I hope you will be able to join us on September 17th. If you have participated before, we hope you will return. If you have never had the Louisville "Music In Motion" in your fall performance schedule, we hope to include you in our event this year!

Please Note: We will do our best to accommodate any participants who are in an earlier contest on the same day.

Sincerely,

Kris Bleininger
Band Director
